

iLynk Lightning Cable

A Male / 8-Pin Male, 1 m (3 ft.), Aluminum Boot, Nylon braiding, Steel Gray

Part No.: [394345](#)

Go metallic for quality, performance and style.

Charge and sync your compatible iPod, iPhone or iPad in color-matched style with this Manhattan iLynk Lightning Cable. Designed to be as durable as it is fashionable, this iLynk cable features an aluminum housing with matte metallic finish, a tangle-free braided nylon jacket and corrosion-resistant data contacts for data transfer speeds of up to 450 Mbps. The housings are slim enough to be used with virtually any protective case, and its 1m (3-ft.) length makes it perfect for use with your computer, in your car, while traveling, at your bedside table or just about anywhere else.

Features:

- USB 2.0 Standard-A to Lightning connector
- Charge and sync your compatible iPod, iPhone or iPad
- Braided, tangle-resistant cable design
- Corrosion-resistant contacts for best data transmission
- Color-matched to pair perfectly with your device
- "Made for iPod," "Made for iPhone" and "Made for iPad" certified
- Supports speeds up to 480 Mbps
- Lifetime Warranty
