

MPN: PE613AD

Power Adapter C6 to C13 F-F

The MicroConnect PE613AD Power Adapter seamlessly converts a C6 inlet to a C13 female connector. This adapter provides a convenient solution for adapting power cords and devices with different power connector types. It is a reliable and cost-effective way to ensure compatibility between various devices and power sources. Ideal for IT professionals, home users, and anyone needing to bridge the gap between C6 and C13 connections, this adapter embodies MicroConnect's commitment to providing versatile, high-quality connectivity solutions. Benefit from our 20+ years of expertise in designing and delivering dependable power solutions for European standards.

Specifications
