HP Spectre x360 15-bl050na

Seductive power. Take it for a spin.

Experience technology at its very best. Refined craftsmanship meets unquestionable power for a machine that does more than meet expectations – it transcends them. With the latest hardware, unbelievable battery life, and a 4K[1] display, this laptop excels at every turn, elegantly sliding into just the mode you need.

FOUR MODES ENGINEERED TO AMAZE
Sculpted from a single block of aluminum, the Spectre x360 is precision designed with a steel-encased 360° hinge to seamlessly shift between cutting-edge performance and creativity that comes to life with Windows Ink.[4]

PERFECTION DOWN TO THE PIXEL – ALL 8 MILLION
4K doesn't just amaze, it mesmerizes. With a powerful, discrete NVIDIA® GT 940MX graphics card, this virtually borderless micro-edge display pushes the very limits of picture quality.[1]

WORLD-CLASS BATTERY LIFE
Don't hold back, power through your most demanding days with up to 12.4 hours of battery life[2]. And if that isn't enough, in just 30 minutes HP Fast Charge[3] gets you 50% charge.

HP LOUNGE, GET CLOSER TO THE ARTISTS YOU LOVE
With unlimited access to music and exclusive content for HP customers, there's no need to search for it, as it comes to you.[17]

[1] 4K content required to view full 4K images. [2] Windows 10/MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See https://bapco.com/products/mobilemark-2014/ [3] Recharges your battery up to 50% within 30 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Spectre x360 and HP x2 PC models. See http://store.hp.com for a full list of product features. [4] On select models. Stylus sold separately. [17] Unlimited access to Universal Music's portfolio for 12 months, free to HP customers. Internet access is required.
