PHILIPS

Features

Tourmaline ceramic

The smooth ceramic barrel prevents damage to your hair during styling. It is infused with tourmaline to give your curls ultimate smoothness and shine.

Digital temperature settings

Digital display with 8 temperature settings gives you absolute control to adjust temperature to your hair type for damage prevention.

Up to 200°C

High temperature enables you to change the shape of your hair and get the curly look you want.

25mm medium barrel

25mm medium barrel for classic curls

30% more styling space

Increased styling space on the barrel for easier curling even long or thick hair.

Cool tip

The tip of the styler is made from a special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

Safety stand

The safety stand enables you to put the curler down safely during use

Fast heat up time

This styler has a fast heat up time, being ready to use in 60 seconds.

Key-lock function

You are always in control. No more accidental temperature change with the key-lock function.

Swivel cord

Useful swivel cord technology rotates the cord to prevent tangled wires.

Auto shut-off

This styler has been equipped with an automatic shut-off feature. This feature has been designed to provide peace of mind. If left on, the appliance will automatically switch off after 60 min.

StyleCare

1.8 m cord

Convenient to use thanks to the 1.8m power cord length.

2 years guarantee

Philips offers a full 2 years warranty for this product to ensure you have long lifetime product to use every day.
