Highlights

Customized DualMotion

VisaPure Men Advanced is equipped with Customized DualMotion technology. Each head that comes with VisaPure will have specified levels of rotation and vibration. Both the handle and the new attachments are equipped with an innovative NFC tag that enables the advanced Intelligent Head Recognition. This means that the handle immediately recognizes the specific head once put on. In this way, you can enjoy dedicated programs of Customized DualMotion technology for different skincare benefits

Cleansing

DualMotion technology combines brush rotation with vibration, allowing the bristles to cleanse deeply seated oil and dirt from your face, contributing to a healthy and radiant skin.

Revitalize massage

Five small balls rotating and vibrating. It feels like 750 gentle finger tapping movements per minute. The Revitalizing Massage program lasts 3 minutes.

Refresh eyes

The customized DualMotion program for Fresh Eyes delivers 120 nano-vibrations per second, for a gentle, comfortable and refreshing massage around the eyes. Finish in 30 seconds to save your time in the morning.

Waterproof

Philips VisaPure MEN Advanced is waterproof and can easily be used in the shower and cleaned under the tap.
