

Philips PowerLife  
Steam iron

**2400 W**

40 g/min continuous steam  
150 g steam boost  
SteamGlide soleplate

**GC2994/27**

## Built to perform, day after day

With SteamGlide soleplate - lasts 4X longer

For great results day after day, you want an iron that never lets you down. With its anti-scratch SteamGlide soleplate, high consistent steam output and integrated calc-clean, this high quality iron gives you performance that lasts.

### Fast & powerful crease removal

- 2400 W for quick heat up
- 150 g steam boost to remove stubborn creases easily
- Steam output of up to 40 g/min for better crease removal
- Vertical steam for crease removal in hanging fabrics

### Long lasting performance

- Superior anti-scratch SteamGlide soleplate
- Easy-to-use calc-clean for long-lasting steam performance
- Tested cord for maximum durability and safety

### Comfortable ironing

- The CordGuide keeps the cord out of the way
- Drip-stop system keeps your garments spotless while ironing
- Comfortable handle with texturing for easy grip

# PHILIPS

# Highlights

## 2400 W for quick heat up

2400 W for quick heat up and powerful performance

## Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

## Quality-tested cord

Philips cord for steam irons has been tested under rigorous quality measures to provide maximum durability and safety.

## Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

## SteamGlide soleplate

Our exclusive SteamGlide soleplate moves smoothly over any fabric. A durable, 5-layer coating - including anti-corrosive base - makes it last longer. Non-stick, scratch-resistant and easy to keep clean.

## Comfortable handle

The texturing on the handle of the iron ensures a comfortable and ergonomic grip, so that your hand fits well and does not slip during ironing.

## Steam up to 40 g/min

Continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

## Built-in calc-clean slider

This steam iron can be operated with normal tap water, and the built-in calc clean slider makes it easy to remove any built-up scale from your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

## Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.
