1x Washable foam filter

FC8010/01

Allergy filter replacement kit PowerPro Compact*

Original filter replacements from Philips

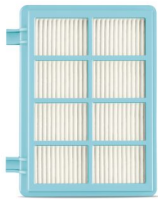

Allergy filter replacement kit compatible with Philips PowerPro Compact and PowerPro City ranges*. The kit contains the exhaust and motor filters. It is recommended to replace filters once a year.

Philips Original accessories

- Allergy exhaust filter for excellent filtration
- Washable motor inlet filter
- Washable motor foam filter

Highlights

Allergy exhaust filter

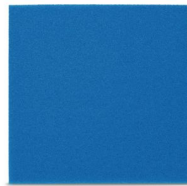

The kit contains 1 x Allergy exhaust filter. The filter catches even the finest dust before the air is expelled back into the room. This results in a clean, dust-free air in your home. It is recommended to replace the filter once a year.

Washable motor filter

The kit contains 1 x washable motor filter. This provides high filtration levels and prevents fine dust from reaching the motor and damaging it. The filter can be washed. It is recommended to replace the filter once a year.

Washable motor foam filter

The kit contains 1 x motor inlet filter (foam). This filter is providing additional protection to the motor and should be placed next to the washable motor filter. The filter can be washed. It is recommended to replace the filter once a year.
