# Peppa Pig's Tumble & Spin Game

## Contents

1 Spinning Peppa

20 Cards (4x George Pig, 4x Emily Elephant, 4x Rebecca Rabbit,  
4x Suzy Sheep & 4x Danny Dog)

## The object of the game

Be the first player to collect one card of all of your Peppa friends.

To win, you need to collect 5 cards: one card of each of your Peppa friends: George Pig, Emily Elephant, Rebecca Rabbit, Suzy Sheep and Danny Dog.

## Before you play

Ask an adult to unscrew the lid on the base of the Spinning Peppa and place two fully charged AA (LR6) batteries inside. Close the lid and place the Peppa Spinner on a flat, smooth surface, like on the floor or table.

Turn on the spinner by flicking the switch to the "ON" position. After use, always turn off the spinner by flicking the switch back to the "OFF" position, to save battery power. While turning off, Peppa will say "Bye bye!"

## TIP:

This game is best played on the floor. If this means playing on a carpet, please use a small plastic plate, table mat or similar to support Spinning Peppa, making sure she will spin.

Shuffle all the 20 cards and place them, face down, around the Spinning Peppa.

## The game begins

Players sit around Peppa, forming a circle, making sure that all the players are spaced equally. The youngest player begins by spinning Peppa. Peppa must make at least a few turns! Wait until she comes to a full stop. If Peppa stops facing you, listen carefully to what she says. If Peppa stops in between two players, she is talking to the person who she has just passed.

### 1. "One!"

Turn over one of the cards. Call out the friend's name. Is it a friend that you do not yet have? Then you get to keep the card. Is it a friend that you already own? Then show the card to the other players and put it back in the circle.

### 2. "Two!"

You're lucky! You may now look at two cards. Again call out the friend's name each time you turn over one of the cards. Is it a friend that you already own? Then show the card to the other players and put it back in the circle. Is it a friend that you do not yet have? Then you get to keep the card.

### 3. "Close your eyes!"

Oh no! Now you have to give back one of your cards. Close your eyes while the other players hide it among the cards that are on the table. They must not tell you where they have put it!

### Who wins?

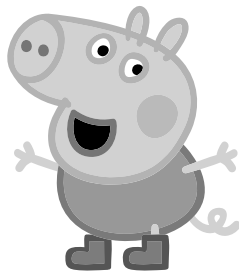

The first player to collect one card of all their Peppa friends wins. To win, you need to collect 5 cards. One card of each of your Peppa friends: George Pig, Emily Elephant, Rebecca Rabbit, Suzy Sheep and Danny Dog.

### Game variations

A quicker game: When playing with younger children you can shorten the game by taking out one of the characters.

### A more difficult game

When playing with older children you can change the rules so that each player needs to collect a full set of one of the characters. Before you begin you take out one of each of the 5 friends cards. In turn take one card. That is the character you need to collect. The first player to collect all 5 cards of one character wins!

### Replacing the batteries

Please refer to the packaging of the batteries you have bought, for instructions and safety warnings. If the batteries run down, please ask an adult to unscrew the panel of the bottom of the Spinning Peppa. Insert new batteries (2x 1.5V AA (LR6)) and replace the lid. Please ensure the + end is on the correct side of the holder.
