Highlights

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Easy bulb swap

The new easy-to-use ring allows effortless GU10 bulb installation.

No dust, no rust

The special no dust, no rust surface material of this recessed spot minimises dust-gathering and ensures a long lifetime for your product.

Premium material

This recessed spot light is made of premium synthetics with superior material finishing. This ensures durability and high lumen output resistance.

LED bulb included

This recessed spot also comes with a Philips GU10 bulb.
