PHILIPS

Features

Energy saving

This Philips energy-saving lamp conserves energy compared with traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

Easy bulb swap

The new easy-to-use ring allows effortless GU10 bulb installation.

No dust, no rust

The special no dust, no rust surface material of this recessed spot minimises dust-gathering and ensures a long lifetime for your product.

LED bulb included

This recessed spot also comes with a Philips GU10 bulb.

high-quality material

This recessed spot is made of high-quality synthetics. This ensures a solid and long lasting product which will enhance your home for many years to come.
