- This product is intended for use by children ages 6 months and up.

BATTERY SAFETY INFORMATION:

- Keep these instructions for future reference.
- Requires 2 "AA/LR6" (3 volts) alkaline batteries (not included). (Rechargeable batteries may be substituted.)
- The voltage of a fully-charged, rechargeable battery is often lower than that of a fresh alkaline battery. Therefore, it is recommended that alkaline batteries be used instead of rechargeable batteries for best performance and longer play time.
- Install batteries with the correct polarity (+ and -).
- To avoid battery leakage:
 1. Follow the toy and battery manufacturer's installation instructions.
 2. Do not mix old and new batteries.
 3. Do not mix standard (carbon-zinc), alkaline or rechargeable (nickel-cadmium or nickel-metalhydride)

batteries. Do not mix different brands of batteries. Only batteries of the same or equivalent type as recommended are to be used.

4. When toy is not used for an extended period of time, remove batteries to prevent possible leakage and damage to the unit.
5. Remove dead or exhausted batteries from product.
6. Dispose of dead batteries properly; do not bury. Do not dispose of batteries in fire as they may leak or explode.
 - Make sure cover is properly installed on unit at all times.
 - Do not attempt to recharge non-rechargeable batteries.
 - Rechargeable batteries are to be removed from the toy before recharging.
 - Charging of rechargeable batteries should be done only by an adult.
 - The supply terminals are not to be short circuited.

NOTE: If the unit stops working or doesn't work as it should, remove the batteries for a few minutes and then re-insert them. If there is still a problem, install new batteries.

FCC COMPLIANCE

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no

guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Modifications not authorized by the manufacturer may void users authority to operate this device.
