

NGS GAMING SPEAKERS GSX-200

SUPERBASS STEREO GAMING SPEAKERS - POWER 20W

Gaming speakers designed for gamers. They offer great RMS 20W power and booming basses, turning your playing sessions into a full gaming experience.

Their awesome design in matt black finish makes this speaker the perfect ally, with a stylish and aggressive look. In addition, their reduced size and USB port allows you to take them anywhere and enjoy your games with the best sound.

GSX-200 features volume control, earphone jack 3,5mm connection and power button.
