The Neomounts by Newstar projector ceiling mount, model BEAMER-C200 is a universal tilt-, swivel and/or rotatable ceiling mount for projectors up to 15 kilograms. This mount is a great choice for an optimal viewing experience. This versatile, ready to install mount, offers the convenience of installation to the ceiling without the need of additional accessories.

Neomounts by Newstar's versatile tilt (15°), rotate and/or swivel (360°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the projector. The mount is height adjustable from 13 to 106 centimetres. An innovative management conceals and routes cables from ceiling to projector. Hide your cables to keep the installation nice and tidy.

Neomounts by Newstar BEAMER-C200 has two pivot points and is suitable for most projectors. The weight capacity of this product is 15 kilograms. This universal ceiling mount is easy to install and suitable for projectors using the mounting holes on the bottom side of the projector. The legs included with this mount, cover most projector hole patterns. The quick release function of the bracket offers safe storage of expensive projectors which results in decrease of theft.

Different poles available, models BEAMER-P100, BEAMER-P150 and BEAMER-P200, to stretch the distance between ceiling and projector from 100 to 200 centimetres.

Projector mounts are ideal for use in offices, schools, hospitals or at home.

All installation material is included with the product.
