Highlights

Super Lift & Cut Action

Shave closer with the dual-blade Super Lift & Cut Action. The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

MultiPrecision Blade System

Get a shave that's fast and close. Our MultiPrecision Blade System raises and cuts all hairs and remaining stubble – all in a few strokes.

50 minutes of cordless shaving

With a powerful, energy efficient and long-lasting lithium-ion battery, you can get 50 minutes of cordless shaving time from a one hour charge. That's about 15 shaves! Or if in a rush, a 5 minute quick charge will give one full shave. Comes with a UK 2-pin plug.

Aquatec Wet & Dry

Shave your way. With the 100% waterproof Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet with gel or foam or even under the shower.

5-direction Flex Heads

5-directional ContourDetect Heads follow every curve of your face and neck to give you an easy, comfortable shave even in tough to reach areas.

Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas — Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

Turbo+ mode

Shave even faster through dense parts of your beard with the 20% extra power boost you get by activating Turbo+ mode.

Maintaining your shaver

Fully washable – simply open the shaver heads and rinse under the tap to keep your shaver head fresh and clean.
