

**Product Name**  
USB Type C MST Charging Dock

**Product Series**  
SenseVision

**Itemcode**  
CSV-1560

**EAN code**  
8719214470593

**UPC code**  
841615100774

## Description:

The Universal USB Type C MST Charging Dock is designed for extra connectivity demands. With the CSV-1560, you can extend the connection of a computer to more USB peripherals, Ethernet network, speaker and the microphone via USB-C interface. Adopting PD Charging technology, upstream charging function through USB-C interface, you can charge the connected cell phone / tablet / laptop. With the built-in USB 3.0 ports, the dock enables you to enjoy the super speed data transmission between USB peripherals. With the DP or HDMI ports, you can mirror your primary screen, or extend the content. When the system supports MST mode, you can display identical or different content on the external monitors as you wish. Enhanced expansion capability plus the stylish appearance, this dock with video is the most versatile accessory that also complements your (home)office space.

## Features:

**Video output;** USB Type C output on source system needs to have Displayport ALT Mode support
