

L382

DATASHEET

Multi-function printer with integrated ink tanks for cost-effective and reliable colour printing, copying and scanning.

Home and home office users looking for a solution for good quality, ultra-low-cost printing, scanning and copying will be delighted with the L382. Its high-capacity ink tank system can deliver thousands of pages at a very low cost. It's easy to use from the start, with a quick and hassle-free set-up. It also offers borderless photo printing.

Say goodbye to cartridges – two years' worth of ink¹

Whether you're printing in black or colour, the L382 offers an ultra-low-cost per page with two years' worth of ink included. It comes with enough ink in the box to print up to an incredible 13,000 pages in black and 6,500 pages in colour², without needing to change an ink cartridge. It comes with one set of inks, plus two additional black bottles, as standard in the box.

Easy and quick

Get up and running in no time with the L382. This printer is sure to make you more productive from the start, with its quick and hassle-free set-up. You won't be waiting around for your documents either, with print speeds of 10ppm³.

Epson-quality printing

Enjoy reliable and low-cost printing with no mess thanks to the L382. Every element has been designed to work in harmony from the fully integrated and purpose-built ink tank, to the Epson genuine ink bottles. With drip-free nozzles, clear labels and fast top-up technology, it's easy and stress-free to fill the ink tank. You can rely on the L382 for high quality, consistent prints, thanks to Epson's Micro Piezo technology. Plus, you can also enjoy its 1,200 dpi scanner and borderless photo printing. It really is the complete package; it even comes with a one-year or 30,000 page manufacturers warranty for added peace of mind.

INK BOTTLE YIELD DATA

Included	13.000 pages*	6.500 pages*
Replacement	4.500 pages*	7.500 pages*

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 with replacement sets of ink. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

1. 2 years' of ink based upon user's average monthly print volume (IDC WW Page Volume Program, 2015)
2. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 with replacement sets of ink.
