# HP N270c 27-inch Curved Display

Immerse yourself in every project, design, and task with the HP N270c 27-inch Curved Monitor, HP's tightest curved display yet. Even better, it has an ultra-slim, 3-sided micro-edge design that enhances your view of the massive 27-inch diagonal screen.

Expansive viewing experience
- See everything in a panoramic view with a super-wide, 1800R extra-curved screen that puts you front and center.

Stunning all around
- Give your work maximum exposure with 178-degee viewing angles and a 3-sided micro-edge that offers uninterrupted screen real estate and virtually seamless tiling of multiple displays.

Modern connectivity
- Connecting to your devices is easier than ever with a sleek wedge design that enables easy access to the rear HDMI, DisplayPort™, and VGA connections.

An engaging view for every budget
- Get an extra-large 27-inch diagonal curved screen with FHD resolution for an unbelievably low price.

Featuring
- Comfortably view content day or night with this TÜV Rheinland-certified display's integrated low blue light function, which you can easily toggle on or off at your convenience to help filter blue light emissions for optimal viewing.
- Rest assured that your IT investment is supported by a three-year standard limited warranty. To extend your protection, select an optional HP Care service.[1]
