

Sandberg ActionCam 4K Waterproof + WiFi

Sandberg ActionCam 4K is a really clever mini-camera that makes it easy to record your sporting achievements. The pack includes a solid, watertight plastic housing you can attach to your bike, helmet, skis or anything else. Records in top quality, smooth 4K UHD resolution on a memory card (not included) or can be accessed via Wi-Fi from a smartphone or tablet. The entire back consists of an LCD screen for you to check your recordings, and the front includes a useful status screen. Large accessory pack included, enabling you to mount the camera on almost anything.
