PHILIPS

Highlights

For kids

This Philips and Marvel light for your child's bedroom creates an environment which encourages children to indulge in what they enjoy most – fun and creativity! A place where your child can study, play and sleep accompanied by their favorite Marvel character. This light is designed to be safe for your child.

Cool to touch

This light is completely safe for children, because it is made of child-friendly materials and uses LED light, which is always cool to touch.

High quality LED light

The LED technology, integrated into this light, is a uniquely developed solution by Philips. While

instantly turned on, it enables an optimal light output and brings out vivid colors in your kids room.

On/off switch on article

With the button discreetly integrated on the fixture, you can easily switch the light on and off.

Push to switch on or off

Simply push the light to turn it on or off. The light will automatically switch off after 15 minutes to save battery lifetime.

Easy to use, battery operated

Battery operation means no trailing cables to spoil your décor or trip over. And since you don't need a power socket, you can place the lamp anywhere you need light. It's convenience straight out of the box.

Imaginative 3D design

Thanks to the imaginative 3D shape, the light will spark your kid's imagination and chase the bad guys away.

Reassures your child at night

It is the perfect night light to make your child feel safe. Positioned aside your child's bed, it's the ideal orientation light. Your kid can put it on by simply pushing the button. It automatically turns off after 15 minutes.
