SHL3075BK/27

Feel it. BASS+

Philips BASS+ headphones bring big, bold bass back to your music. Packing powerful, punchy bass into a sleek, compact package, these headphones are built for those who need more bass in their beats without any extra bulk.

Benefits

More bass

- 32 mm speaker drivers
- Big, bold bass you can feel
- Great sound isolation for better listening experience

True comfort

- Designed for optimal fit

- Soft ear cushions for long-wearing comfort

Sleek design

- Flat folding design for easy portability
- An easy-to-use remote control

PHILIPS

BASS+

Features

32 mm drivers

BASS+ headphones feature 32mm speaker drivers that produce big, pumping bass.

Adjustable fit

Designed for optimal fit, BASS+ headphones feature swiveling earshells and an adjustable headband to ensure a great fit for all wearers.

Big, bold bass

This is big, powerful bass that lets you really feel the beat. Don't let the sleek design fool you – specially tuned drivers and bass vents produce ultra-low end frequencies to create a unique BASS+ sound signature.

Flat folding

With their flat folding design, BASS+ headphones are easy to fold and store away, making them your ideal travel companion.

Handsfree calls

An easy-to-use remote control allows you to play or pause tracks and answer calls with a simple push of a button.

Soft cushions

Soft, breathable ear cushions provide great comfort over long listening sessions.

Sound isolation

With a closed acoustic design, BASS+ headphones block out ambient noise to create improved sound isolation for a better listening experience.
