14-length precision comb

Rechargeable, wet & dry use

QP6520/70

Trim, edge and shave any length of hair

Designed to cut hair, not skin

The Philips Norelco OneBlade is a revolutionary new hybrid styler that can trim, shave and create clean lines and edges, on any length of hair. Forget about using multiple steps and tools. OneBlade does it all.**

Easy to use

- Each blade lasts 4 months
- Use wet or dry
- Charge up and go
- LED digital display shows status of battery and travel lock

Comfortable shave

- Unique OneBlade technology
- Follows your facial contours

Sharp edges

- Create precise edges & sharp lines with the dual-sided blade

Even trim

- Get the exact length you're after

Highlights

Unique OneBlade technology

Designed for facial styling and body grooming, the Philips Norelco OneBlade trims, edges and shaves any length of hair. It delivers an easy and comfortable shave thanks to a glide coating and rounded tips. And with a cutter that moves at 200x per second, it's efficient even on longer hairs.

Contour following

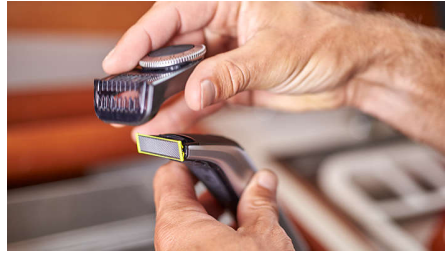

Philips OneBlade razor follows your facial contours allowing you to effectively and comfortably trim and shave all areas of your face.

Dual-sided blade

OneBlade follows the contours of your face, allowing you to effectively and comfortably shave all areas. Use the dual-sided blade to style your edges and create clean lines by moving the blade in any direction.

14-length precision comb

A wet and dry shaver that allows you to trim to your preferred hair length with 14 different settings from 0.4mm to 10mm.

Durable OneBlade

Easily replace your blade once every 4 months* for optimal performance. A green useage indicator will appear once the blade is worn out.

Wet & dry

Use this waterproof razor at the sink or take it with you into the shower. The OneBlade wet and dry razor is easy to clean and can be used with or without foam.

LED digital display

Be sure that your OneBlade is always ready to go by checking the LED digital display. It alerts you while in-use when your battery is low, and it indicates charging progress when plugged in. Activate the travel lock to take the OneBlade anywhere you go.

90 min Li-Ion battery

A single charge takes 1 hour, and delivers 90 minutes of constant performance.
