

HP Long Term Consumables

HP Care Pack for HP Jet Fusion 3D Printers and Printing Solutions

HP Lifecycle Services

Success in business means thinking outside of the box, always being on the cutting edge of technology, and recognizing when you don't have to do it all.

HP understands that staying on top of your HP 3D Printer or Printing Solution is not your main priority. That's why we're here to help. HP 3D Printing Lifecycle Services are designed to address much of the behind-the-scenes busywork, so you don't have to. Focus on business innovation, and rely on HP experts to perform installations, upgrades, relocations, and more. Partner with HP to optimize your investment from day one and beyond and experience true peace of mind.

Service benefits

- Maintain optimum printing performance
- Help improve uptime with immediate access to parts
- Keep your printer in the best condition

Service features

- Includes most commonly needed consumables parts
- Fast replenishment of wear-and-tear parts
- Consistent production of high-quality 3D parts

Service overview

You can minimize downtime and keep your 3D printing equipment at peak performance. With HP Long Term Consumables, you can reduce issues caused by regular wear-and-tear that may impact your HP Jet Fusion 3D Printer(s) and Printing Solution(s). HP Long Term Consumables contains the recommended parts based on HP's usage and consumption metrics and a recommended replacement schedule based on your 3D printer model and configuration—enabling improved uptime and the production of high-quality 3D parts.

Features and specifications

Each HP Long Term Consumables contains the required wear-and-tear parts and cleaning supplies, and covers one complete maintenance procedure per 3D printer or complementary system.¹

Product compatibility

Compatibility with the following printers:

- HP Jet Fusion 500/300 Series 3D Printers
- HP Jet Fusion 4200 Series 3D Printing Solutions
- HP Jet Fusion 5200 Series 3D Printing Solutions

Delivery specifications

- Spare parts are delivered to the Customer's installed site indicated on the installation form.

Customer responsibilities

- In order to maintain their effectiveness, store the HP Long Term Consumables in a closed or secured area to avoid risk of damage or loss.
- Make sure the relevant personnel can easily access HP Long Term Consumables, when necessary.
- Perform a monthly inventory check on the kit to help ensure parts availability.
- Customer's operator should install HP Long Term Consumables following the included maintenance guidelines.
- Once HP Long Term Consumables have been consumed, the Customer should request the next to help ensure the best capabilities of the 3D printer and complementary systems.

Service limitations

- HP Long Term Consumables are considered consumable items, and the cost is not covered under the equipment's original warranty.
