

MPN: FIB412015-4

# Optical Fibre Cable, LC-ST, Multimode, Duplex, OM4 (Erica Violet), 15m

OM4 patch cords are used to connect high speed and legacy networks like 10/40/100 gigabit ethernet, fast ethernet and ethernet. This 50/125 OM4 multimode fiber optic cable is ideal for connecting 40G BIDI SR, 10G SR, QSFP+, SFP+ transceivers etc. for 10G/40G/100G Ethernet connections and is the preferred fiber specification for 40G/100G applications. Multimode patch cords are manufactured using LSZH cable and conform to Telcordia, EIA TIA or IEC standards.

- Designed for Data Centers, Industry and Computer Centers
- LSZH (Low Smoke Zero Halogen) and flame retardant
- RoHS compliant

## Specifications

|                        |                             |                                                                 |
|------------------------|-----------------------------|-----------------------------------------------------------------|
| Features               | Cable length                | 15 m                                                            |
|                        | Cladding diameter           | 125 µm                                                          |
|                        | Connector 1                 | LC                                                              |
|                        | Connector 1 gender          | Male                                                            |
|                        | Connector 2                 | ST                                                              |
|                        | Connector 2 gender          | Male                                                            |
|                        | Core diameter               | 50 µm                                                           |
|                        | Fiber mode structure        | Multi-mode                                                      |
|                        | Fibre optic type            | OM4                                                             |
|                        | Halogen-free                | Yes                                                             |
|                        | Insertion loss              | 0.3 dB                                                          |
|                        | Jacket material             | Low smoke zero halogen (LSZH)                                   |
