- DLNA™

With 4K UHD resolution you'll enjoy a picture with 4X the detail of Full HD.* Watch and play your way with the improved Samsung Smart TV platform that lets you quickly and easily access your favourite content.

GO BEYOND HIGH DEFINITION

- 4K Ultra High Definition (UHD) has 4x the pixel count of Full HD*
- Improved picture clarity, rich and vibrant colours and photographic detail
- Cinema-like picture quality and performance at home

4K UHD UP-SCALING**

- Samsung proprietary up-scaling technology enhances your content to near-4K UHD picture quality
- Experience your favourite movies and TV shows with greater picture quality

SMART ENTERTAINMENT

- Re-engineered user interface allows for improved ease of use, so you can access your content seamlessly
- Sharing between mobile and TV got easier with the new Samsung Smart TV. You can watch TV content on a mobile device and switch from mobile viewing to TV with just one click Δ
- Smart TV technology is powered by Tizen, an open-source platform that supports the web standard for TV app development
