Steam iron

PowerLife

2600 W

45 g/min continuous steam

200 g steam boost

SteamGlide soleplate

GC2999/86

Built to perform, day after day

4 x longer life with SteamGlide soleplate*

With its anti-scratch SteamGlide soleplate, consistent high steam output and anti calc technology, the Powerlife steam iron gives you performance that lasts.

Fast and powerful crease removal

- 2600 W to heat up quickly
- Up to 200 g steam boost blasts stubborn creases
- Steam output up to 45 g/min for strong, steady performance
- Vertical steaming for hanging fabrics

Long-lasting performance

- Scratch-resistant SteamGlide soleplate provides good gliding
- Built-in calc-clean slider, long-lasting steam performance
- Extended 3m cord tested for maximum durability and safety

Comfortable ironing

- Automatic shut-off when iron is left unattended
- Drip stop keeps garments spotless while ironing
- Comfortable, textured handle for easy grip

Highlights

2600 W to heat up quickly

Delivers a fast warm-up and powerful performance.

Steam boost up to 200 g

Penetrates deeper into fabrics to easily remove stubborn creases.

Continuous steam up to 45 g/min

Strong and consistent steam output to remove creases faster.

Vertical steam

The vertical steam function lets you refresh garments right on the hanger and remove creases from curtains as they hang. No ironing board required.

SteamGlide soleplate

Our special SteamGlide soleplate smoothly glides over any fabric. It's also non stick, scratch resistant and easy to clean.

Built-in calc-clean slider

This iron operates with ordinary tap water. Calc-clean is a built-in cleaning function to remove calcium build-up, or lime scale, and maintain peak performance.

Quality-tested cord

All our steam iron cables are rigorously tested for maximum safety and durability.

Automatic shut-off

The iron shuts itself off if you leave it standing still. On its heel rest, it will automatically switch off in 8 minutes. Lying flat, it shuts down after 30 motionless seconds.

No more messy dripping

Our Drip Stop system lets you iron delicate fabrics at low temperatures with confidence. There's no need to worry about water droplets causing stains.
