

Excellence, no matter the budget.

310 Series 21.5" Desktop Monitor

For those who believe quality and excellence should not be determined by budget, we introduce the Samsung 21.5" 310 Series monitor. Featuring a Full HD 1920 x 1080 low-glare panel with HDMI and VGA connections, this commercial-level display comes with a full 3-year warranty. It offers environmentally friendly and energy-saving features that help deliver a lower cost of ownership. And thoughtful features include a tilt stand that doesn't block the monitor's mounting holes, making it easy to mount a mini PC or thin client. It's a monitor that's simple to use and simple to own. It's the Samsung 21.5" 310 Series monitor.

Key Features

Impressive Picture Quality

The Full HD 1920 x 1080 LED low-glare TN panel delivers sharp, bright, beautiful images. Mega infinity dynamic contrast ratio ensures subtle detail even in the lights and darks, and MagicAngle technology delivers improved color even when viewed from off-angles.

Easy Connectivity

Connect to high-speed devices with HDMI, or use VGA to connect to legacy analog devices.

Enhanced Video Experience

Optimize your video or gaming experience with the touch of a button. Game Mode detects changes in scenes, enhances colors, and adjusts contrast so you don't miss a thing. Thanks to ultra-fast video response, you always keep up with the action.

Environmentally Friendly

Activate the Auto Setting to reduce energy use by about 10%. The Eco-Saving Plus feature reduces screen brightness to save power, plus the screen brightness automatically transitions fluidly, reducing energy use even more. The monitor itself is constructed without PVC, meaning no toxins added to your office environment, as well as being kinder and gentler on our earth.

Easy on the Eyes

Eye Saver Mode and Flicker Free technology provide increased comfort all day long. When Eye Saver Mode is active, blue light levels are lowered, for reduced eye strain during long work hours. Flicker Free technology adds further viewing comfort by eliminating flickering at all levels of brightness.

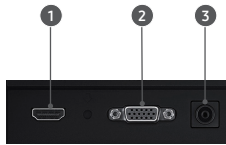

Samsung 310 Series 21.5" Desktop Monitor
