GC2994/28

Built to perform, day after day

With SteamGlide soleplate - lasts 4X longer*

For great results day after day, you want an iron that never lets you down. With its anti-scratch SteamGlide soleplate, high consistent steam output and integrated calc-clean, this high quality iron gives you performance that lasts.

Fast & powerful crease removal

- 2000 W for quick heat up
- 150 g steam boost to remove stubborn creases easily
- Steam output of up to 40 g/min for better crease removal
- Vertical steam for crease removal in hanging fabrics

Long lasting performance

- Superior anti-scratch SteamGlide soleplate
- Easy-to-use calc-clean for long-lasting steam performance
- Tested cord for maximum durability and safety

Comfortable ironing

- Drip-stop system keeps your garments spotless while ironing
- Comfortable handle with texturing for easy grip

Highlights

2000 W for quick heat up

2000 W for quick heat up and powerful performance

Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

Quality-tested cord

Philips cord for steam irons has been tested under rigorous quality measures to provide maximum durability and safety.

Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

SteamGlide soleplate

Our exclusive SteamGlide soleplate moves smoothly over any fabric. A durable, 5-layer coating - including anti-corrosive base - makes it last longer. Non-stick, scratch-resistant and easy to keep clean.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Steam up to 40 g/min

Continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

Built-in calc-clean slider

This steam iron can be operated with normal tap water, and the built-in calc clean slider makes it easy to remove any built-up scale from your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.
