Wireless

- Bluetooth wireless technology
- USB charging cable
- Rechargeable battery offers up to 12 hours of playtime

PHILIPS

BASS+

Features

40mm speakers

40mm Neodymium speakers that produce big bold bass

Adjustable earshells/handband

A swivel earshell design and adjustable headband make it a great fit for everyone.

Big, bold bass

Powerful bass to upgrade your listening enjoyment. Don't get fooled by its sleek design as the specially designed bass vent and specially tuned drivers produce ultra-low end frequencies that gives the headphones the unique Bass + sound signature. Separate acoustic volume is used to ensure high consistency bass performance in every production.

Bluetooth

Easily pair your headphones with any Bluetooth device for wireless music.

Button controls

Button controls on the right ear shell enable you to control music and calls with a press.

Compact fold

The unique compact fold design gives you the best experience on the go. The headphones can be either flat fold or compact fold for easy portability and easy storage.

Sound isolation

Closed type acoustics blocking out ambient noise and providing better sound.

USB charging cable

The included USB charging cable makes it easy to keep your headphones powered up when you need them.

12-hour playtime

With 12 hours of playtime, you'll have enough power to keep your music going all day.

Soft cushions

Soft, breathable ear cushions provide great comfort over long listening sessions.

BASS+

Hands-free calls

Convenient hands-free calling with mic and Bluetooth® 4.1
