

You may continue your turn until you choose two cards that do not match. Are the pictures different? Check that everyone has seen the pictures, then turn them over so they are face down again. Make sure the cards stay in their original positions. The turn then goes to the player on your left. Continue playing until all the matching pairs have been found.

Who wins?

The player with the most matching pairs at the end of the game is the winner! If there are children with the same number of matching pairs at the end of the game, they're both winners!

Contents:

72 Picture cards, divided into two sets of 36 orange and 36 blue cards.

On first use:

Carefully push out the cards from the cardboard frames.
The cardboard frames can be recycled

1. Flip & Find Bingo

Each player receives six or eight of the orange cards.
These are laid out in front of the player, face up, to form their 'bingo card'. Any spare cards are put to one side.

The blue cards are made into a pile in the centre of the table. You can have a person who just turns over the cards, but doesn't play - or players can take it in turn to reveal the pictures on the blue cards.

The first of the blue cards is turned over and described eg 'Crab'. The player who has the

matching picture on their 'bingo card' calls out and is given that card. They place the blue card, face down, on the same picture on their bingo card. The next card is turned over and claimed by a player.

Who wins?

The first player to cover all the pictures on their bingo card is the winner.

2. Flip & Find Memo

Shuffle and place 72 tiles face down in the centre of the play area.

Place all the picture cards face down on the table. Shuffle the cards well and position them next to one another in neat rows. The youngest player starts and turns one of the cards over. Make sure everyone can see clearly what's on the card. Do you know where the matching card is located on the table? Then turn it over as well.

Have you found the matching picture? Pick up both cards and place them in front of you on the table.
