K2

MAKE YOUR HOME SMART AND SECURE

Thanks to the K2, you can easily select the right mode for your home. Use it to select the right scenario for your A1 Alarm Hub: at home, sleeping, or leaving home. An emergency? Just push the button and send an instant notification to someone in order to get help.

ezviz
Video Security For Your Smart Life

HIGHLIGHTS

At home
This scenario activates the water leak sensor.

Leaving home
Activate all sensors in just one click.

Sleeping
Select sleeping mode to activate the door and window sensors and your water leak sensors.

Emergency button
Use the emergency button to get help.
