General Information

Safety Instructions

Please read carefully the Safety Mark on the Back side

This mark is intended to alert the users from the non isolated dangerous voltage within the product that may be of sufficient magnitude to constitute a risk of electric shock to persons

This mark is intended to alert the user for important operating and servicing instruction

Warnings

- Avoid sustained periods on high-volume use, and do not turn the volume to maximum level while using high output signal, such as Mobile Phone or DVD, etc., as this will cause distortion and may damage the loudspeaker cones.
- Please switch off the system from the wall socket, when not in use.
- Please unplug the system from the AC outlet when unused for a long time
- Do not open the cover or back panel to avoid electronic shock or any other accidents. No user-serviceable parts are inside.
- Only for indoor use.
- Plug the system to the AC outlet with the right voltage marked on the back panel of the Sound Bar.

Care and safety information

Avoid high temperatures, moisture, water and dust

- Apparatus should not be exposed to dripping or splashing of liquid.
- Do not place any sources of danger on the Bar (e.g. liquid filled objects, lighted candles).
- Do not install near heat sources.

Do not block any ventilation openings

- Place the apparatus in a location with adequate ventilation to prevent internal heat build up. Allow at least 100cm (4 inches) of free space all around the apparatus for adequate ventilation.
- At high volume the back cover of Bar becomes hot. Do not touch it.

Care of the cabinet

- Use a soft cloth slightly moistened to clean the cabinet. Do not use a solution containing alcohol, spirits, ammonia or abrasives.

Installation

Remote

*(Use AAA X 2 Battery)

*Battery not provided

Soundbar Placement

Ⓐ Placement

- Place Speaker Bar on top of a table or mount it on the wall.
- Place it at a height that is closest to the listening ear-level.
- Position Speaker Bar so that it is directly parallel to the listening area.

Ⓑ Wall Mounting

Get ready with wall mounting arrangement using provided accessories.
