Highlights

Works anywhere

Even if you're not near a wall or car charger, you can recharge your device's battery with the convenient battery pack. The intelligent battery pack supplies power first, so you can remove the pack after use and still have a full battery on your device.

Micro-USB cable included

The included micro-USB to USB 2.0 cable is for use with mobile phones, digital cameras and other portable devices with a micro-USB connection. Carry it with you, keep it at your desk, or replace a cable you've lost so you're always able to connect and charge when you need to.

Recharge multiple times

This portable power source gives you the extra power for more than two full recharges on the go. Take it with you when you travel to have back-up power when you need it.
