to replace your current pulp container

The pulp will all be collected in the only place where it should be: in the pulp container of your Philips juicer. That means there is no need to remove pulp from other parts such as the lid anymore.

Delivered with different connection pieces.

- Easily renew your product with original Philips parts

Highlights

Easy replacement of product parts

From time to time your product needs a facelift, and with Philips consumer replacement parts to renew your product, it's never been so easy! All this with guaranteed Philips quality.
