

HP 303XL High Yield Tri-color Original Ink Cartridge (T6N03AE)

Those who are looking for professional quality photos and documents from their in-home printer for immediate sharing.

Print your favorite photos in vivid detail. Photo-enhanced¹ Original HP 303XL Ink Cartridges feature true-to-life color² to go straight from printer to frame. Documents look great, too. From recipes to homework, every print is phenomenal.

High-quality photo printing

When you want stunning prints, get HP ink that delivers vibrant colours and rich blacks to bring your photos and documents to life.

HP 303 ink cartridges deliver authentic colours so all your prints will shine.

Make your photos pop. Rich blacks bring a dynamic range of shades and better contrast for realistic prints.¹

Print photos that last generations with Original HP Ink - fade and water droplet-resistant.³

Quality prints, endless possibilities

Original HP Ink Cartridges deliver the exceptional print quality you expect. Get sharp text and vibrant colors for all your documents, from recipes and invitations to emails and homework.

From photos to recipes or emails, print in vivid color and sharp blacks with Original HP Ink Cartridges.

Print up to twice as many pages with Original HP high-yield ink cartridges.³

Print with confidence. Original HP Ink Cartridges are designed and tested for quality and reliability.⁴

Print personalized masterpieces

HP ink cartridges work with your printer to provide colour ink balancing and low-ink alerts.

Avoid wasting ink and get alerts when your cartridge is low so you can replace them in time.

Discover cards and crafts with HP Printables. Print them in brilliant color with Original HP Ink.⁶

Always print the right colors. Built-in technology ensures colors print correctly, even when one is low.¹

Know when ink is low. Monitor ink levels, get alerts when you're low, and easily buy more with the HP app.⁵

Recycle HP Cartridges with HP Planet Partners⁷

HP 303 ink cartridges are built with recycled material and can easily be recycled for free through HP Planet Partners.²

Contains at least 68% recycled plastic content, to help reduce plastic waste.⁸

UL ECOLOGO® certified for reduced environmental impact, based on stringent health and environment criteria.⁹

HP uses recycled plastics from returned cartridges to make new ones, keeping plastics out of landfills.^{10,11}

Warranty

HP's ink cartridges and printheads are warranted to be free from defects in materials and workmanship during the period of the warranty.

¹ HP 303XL Original Ink Cartridges utilize a hybrid ink system that combines dedicated black pigment with a tri-color ink for photo printing to optimize the dynamic range of colors and shades, resulting in superior image quality compared to HP tri-color-only ink configurations.

² True-to-life color with HP 303XL Original Ink Cartridges that combines black and tri-color ink for photo printing, and with HP 303XL tri-color Original Ink Cartridge designed to precisely meter out ink drops as small as 3 picolitres (pl) to achieve sharp, grain-free photos.

⁴ HP conducts environmental and usage testing to determine the correct functionality of Original HP Ink Cartridges.

⁵ HP Smart and myHP are now the HP app, available for download on Windows 10 or 11 PCs; macOS computers; and for Apple and Android mobile phones and tablets. Windows PCs do not support print features at launch. Android not supported in China at launch. The HP app requires download available at www.hp.com/hp-app. Not all HP devices, services, apps are available in the HP app. Certain features are available in English language only, and may vary by printer and PC model/country, and between desktop/mobile applications. HP reserves the right to introduce charges for use of select HP app functionality. Internet access required. HP account required for full functionality. Fax sending capability only. Live chat and phone support are available during business hours and varies by country. Chat service is localized in supported regions, and where not supported, will default to English. Supported conferencing features vary by device and device configuration. For complete Terms of Service see: www.hp.com/hp-app-terms-of-use.

⁶ HP Printables are for personal use only and may not be distributed for any commercial purpose.

⁷ Program availability varies. See hp.com/hprecycle.

⁸ Recycled plastic is expressed as a percentage of the total weight plastic.

⁹ Original HP Ink Cartridge certification to UL 2801 demonstrates compliance with a range of multi-attribute, lifecycle-based criteria related to human health and environmental considerations, see UL.com/EL & KeypointIntelligence.com/HPINKUL.

¹⁰ All materials received for the Planet Partners program are treated in accordance with applicable regulations. The primary disposal method includes upcycling into new Original HP Ink Cartridges where feasible: see hp.com/InkRecycledContent for list of products. Other methods include donation of material for social upcycling projects, material sold to markets, and energy recovery.

¹¹ At least 85% of Original HP Ink Cartridges contain between 3-75% post-consumer recycled content. Does not include ink bottles or other products not listed. See hp.com/InkRecycledContent for list.
