With the Neomounts by Newstar PLASMA-M2250SILVER automatic height adjustable floor stand you place a large format flat screen on the floor. Get optimal positioning for both standing and seated audiences, in any application, in any part of your location. Perfect to use in a class room, boardroom, presentation room or public entrance.

The PLASMA-M2250SILVER is suited for screens between 42"-100" and has a load capacity of 130 kg. The trolley is suitable for screens with a VESA hole pattern of 200x200 to 800x600 mm. Cables can be guided at the back of the mount.

Easily roll this cart over doorways and thresholds with to the high quality wheels. The mobile electric floor lift is automatically height adjustable over a height of 50 cm with a remote control. From the floor to the center the distance of the screen is variable from 120 cm to 170 cm.

The Neomounts by Newstar PLASMA-M2250SILVER column comes in a silver color and is a great choice for space saving placement or when wall-, ceiling mounting or desk placement is not an option.

All installation material is included with the product. Warranty: 5 year.
