

power boost

Compact, portable chargers with universal compatibility.
Made for smartphones, tablets & other USB devices.

 **DUAL USB
CHARGE PORTS***

UP TO
100 HOURS OF
BATTERY*

UP TO 20,800MAH BATTERY CAPACITY

Ranging from 2,600 to 20,800mAh battery sizes, the power boost can provide up to 100 total hours of extra battery.*

HIGH-OUTPUT CHARGING

Quickly charge your device with an output of up to 2.1A (excludes power boost mini).

DUAL USB CHARGE PORTS

Charge two power-hungry devices at once (excludes power boost mini).

LED POWER INDICATOR

Indicates charging status and current battery life.

Key Selling Points

- Rechargeable 2,600 / 5,200 / 10,400 / 20,800mAh batteries deliver enough power to charge your smartphone up to 8 times.*
- Up to two 2.1A USB charging ports enable you to quickly charge multiple devices.
- Compact and reliable power solutions to charge smartphones and other USB devices when you need them most.
- LED power indicator displays battery levels and charge status. Know before you go.

The next generation of universal power.
