

CH1000 USB-C™ 4-Port Hub

33995

Product Description

The CH1000 USB-C 4-Port Hub is the simple, easy way to expand the connectivity of your USB-C device. Connect your peripherals like a mouse, keyboard or flash drive using the three USB-A ports, while using the single USB-C port to connect a smartphone or tablet that features the new style of port. The hub offers USB 3.1 Gen 1 technology, supporting data transfer speeds up to 5 Gbps. With Plug & Play installation, all your accessories will be up and running quickly, and the compact design means it can be easily packed up and taken with you on the road.
