PHILIPS

Highlights

Brighter looking skin

Gentle pinching removes old, dull skin cells for smooth, brighter looking skin. 150.000 crystal particles embedded in the tip work gently but effectively on the skin. 86% of the women agree*: "my skin looks more youthful". And 86% of women agree*: "my skin looks brighter***"

Gently renew your skin

The crystal particles on the tip are gentle on your skin, as they are up to 20 times smaller than your normal scrub particles.

Brightening tip for daily use

Achieve immediate, optimal results with just 5 minutes treatment every day using the brightening tip.

Suitable for all skin types

Can be used on all skin types, even delicate skin.

Easy to replace

Easy click on technique, fits on all VisaCare devices.

Replace every 2 months

For best results, we recommend replacing every two months.
