## Consume the whole bean for full nutritional value

Drink directly, no need to filter

Don't want to waste residue? Too busy to filter in the mornings? Thanks to the rapid vortex cutting & super steam heating technology of the new Philips SMM, you can now get the full nutrition from every bean and drink without filtering.

### **Nutrition without filtering**

- Rapid cutting technology cuts beans finely, no filtering
- Super steam heating technology improves the soymilk taste
- Drink directly with no need to filter, saving time & effort

### **Safer and more convenient to use**

- Rotating lid design makes lifting safer & more convenient
- Non-discoloring stainless steel hood for easy cleaning
- Double stainless steel housing, keeps warm without scalding
- 100% food grade oil
- Low noise

### **Easy to use**

- Five programs to enjoy your favorite drink easily

# PHILIPS

# Specifications

## Accessories

- Measuring cup

## Design specifications

- Materials of outer housing: Stainless steel
- Materials of inner housing: Stainless steel
- Color(s): Deep purple
- Weight appliance: 2 kg

## Technical specifications

- Capacity: 0.9-1.1 L
- Voltage: 110 V
- Frequency: 60 Hz
- Motor power: 140 W
- Heating power: 850 W

## Weight and dimensions

- F-box dimensions: 230 x 230 x 340.5 mm
- F-box weight: 2.6 kg

# Highlights

## Rapid cutting technology

Advanced rapid vortex cutting technology cuts beans more finely, so there's no need for filtering! What's more, 20% more dissolved protein is extracted from the soybeans\*

## Super steam heating technology

Super saturated steam heating technology stabilizes the temperature inside the pot, facilitating the transformation from soybean to soymilk and improving the soymilk taste.

## No filtering

Drink directly with no need to filter, saving time & effort. The rich dietary fiber in soymilk helps to maintain digestive health.

## Rotating lid

Rotating lid design protects against leaking when dropped, making lifting safer and more convenient.

## Stainless steel hood

Non-discoloring stainless steel hood for easy cleaning.

## Double stainless steel housing

Double stainless steel housing, keeps warm without scalding.

## 100% food grade oil

100% food grade oil

## Low noise

Low noise

## Favorite drinks made easily

Making your favorite drink is easy by selecting the right program, including dry/soaked soymilk, five grains soymilk, rice paste, veggie/fruit juice & vegetable puree soup.
