HR1627

More power for smoother results

400W ProMix handblender with turbo function

The Philips handblender combines 400 Watt power, ProMix blending technology and Turbo function for smooth results even for tough applications. Thanks to the XL chopper and whisk accessories, it now also chops onions and whips cream.

A smooth result in seconds

- Triangular shape for optimal flow and blending performance
- Powerful handblender motor for optimal results
- Turbo button for the toughest ingredients

No splashing while you blend

- Anti-splash blade guard with special wave shape

Easy to use

- 2-button release system to easily remove the blending bar

Enjoy a variety of recipes

- Whisk accessory for whipping cream, mayonnaise and more
- XL chopper accessory for chopping large quantities
- 0.5L measuring handblender beaker

PHILIPS

Hand blender with ProMix blending technology

Highlights

Anti-splash blade guard

The special wave shape in the bottom part of the handblender blending bar guarantees no splashes or mess while you blend.

Whisk accessory

Single whisk accessory for Philips hand blender for whipping cream, mayonnaise, pan cake batter and more. Makes your hand blender multifunctional and versatile.

XL chopper accessory

With the XL chopper accessory (1000ml) for a Philips hand blender you can chop large

quantities of meat, herbs, nuts, cheese, chocolate and onions in seconds.

2-button release system

With the 2-button release system of the Philips handblender it is easy to remove the blending bar for easy cleaning.

ProMix blending technology

The Philips handblender ProMix technology was developed together with the prestigious Stuttgart University. It is an advanced technology for more consistent and faster blending. The unique ProMix blending technology of Philips hand blenders uses a triangular shape to create an optimal flow and gives maximum performance making silky smooth soups and smoothies.

0.5 L beaker

With the 0.5L beaker you can measure the ingredients for your recipes, but also quickly blend soups, purees or shakes.

400 Watt Motor

400W

With the powerful motor of 400 Watt almost any ingredient can be blended with the Philips handblender.
