# HP ProBook x360 11 G2 EE Notebook PC

Improve learning outcomes, save teacher time, and engage students like never before with the powerful, durable, flexible HP ProBook x360 11 G2 Education Edition. It converts from a notebook to a tablet to a stand to a tent to adapt to diverse learning styles and activities wherever learning happens.

HP recommends Windows 10 Pro.

Built tough for students and the school day

- Make life simple for IT and educators with an easy-to-carry PC that's designed to protect against bumps and pass MIL-STD 810G[1], with Corning® Gorilla® Glass 4, co-molded industrial rubber, and a keyboard that resists picks and minor spills.

Encourage blended learning

- Flip, fold, and learn with a 360° hinge and optional dual cameras[2] that adapt to every activity. Create content in notebook mode, collaborate in stand mode, share and present in tent mode, and read, write, and draw in tablet mode.

Touch or tap

- Annotate, draw, solve math problems, and take notes right on your screen with integrated premium touch technology and an optional Active Pen[3] that supports an authentic digital inking experience similar to paper and pen or paintbrush.

Smart, efficient processing.

- Empower students to work on multiple applications, run simulations, and edit videos simultaneously without being slowed down with the impressive productivity and graphics performance of the latest 7th Gen Intel® Core™ processors.

- Deploy a device with the Windows 10 Pro[4] operating system that's already second nature to your students and teachers.
- Enable project-based learning with the optional dual-camera system that allows students to see what they're recording in four modes: notebook, tablet, tent, and stand.[2]
- Help secure sensitive data with comprehensive security features like embedded TPM.
- Keep productivity high and downtime low with HP BIOSphere Gen3[5] firmware-level automation. Your PCs have extra protection thanks to automatic updates and security checks.
- Take on the school day and homework with long battery life.
- Meet and exceed the global requirements of learners with the HP School Pack 2.5 suite of digital tools and content designed for collaborative, standards-aligned, and personalized learning.
- Help ensure reliable connectivity with Intel® 2x2 AC wireless and an RJ-45 port.
- Connect to devices and displays with two USB 3.1 Gen 1, HDMI, 3.5 mm mic and speaker ports, and USB-C™, which supports cell phone charging and data transfer and the use of USB-C™ flash drives.
- Breathe easy with an IT investment that is supported by a one-year standard limited warranty that's extendable with an optional HP Care service.[6]

To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at: http://www.hp.com/go/cpc. [18]

HP recommends Windows 10 Pro.

HP ProBook x360 11 G2 EE Notebook PC

Recommended Accessories and Services

HP Slim 12.5-inch Sleeve

Pack your Ultrabook™ to go with an HP Ultrabook Sleeve, a stylish, durable, and compact sleeve case designed to help protect your notebook and maintain its sleek profile.
Product number: F7Z98AA

HP Comfort Grip Wireless Mouse

The HP Comfort Grip Wireless Mouse features a 30-month battery life and a bold, modern design that integrates seamlessly with HP Business Notebooks.
Product number: H2L63AA

HP UC Wired Headset

Enable crystal-clear sound and noise cancelling for meeting on-the-fly through your Windows notebook or tablet with the durable and lightweight HP UC Wired Headset, designed for a comfortable work day.[1][2]
Product number: K7V17AA

HP Notebook Power Bank

Boost your notebook's[1] uptime and charge your everyday USB devices at the same time with the portable, chargeable HP Notebook Power Bank.
Product number: N9F71AA

HP Essential Keyed Cable Lock

Add an extra layer of security to your notebook with the HP Essential Keyed Cable Lock, designed for any notebook with a standard lock slot.
Product number: T0Y14AA

HP 3-year Travel Next Business Day Low End Notebook Only Hardware Support

This HP services offers notebook users on the go prompt, reliable coverage in major geographies of the world, for 3 years. For more information on Care Pack services, please visit www.hp.com/go/cpc.
Product number: UC909E

Messaging Footnotes

[1] MIL-STD testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
[2] Requires optional rear-facing camera on select configurations only. Front-facing camera is standard on all models.
[3] Sold separately or as an add-on feature.
[4] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.
[5] HP BIOSphere Gen3 features may vary depending on the PC platform and configurations.
[6] Sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

Technical Specifications Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com/.
[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
[3] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.
[4] All cables are sold separately.
[5] Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.
[6] The term "10/100/1000" or "Gigabit" Ethernet indicates compatibility with IEEE standard 802.3ab for Gigabit Ethernet, and does not connote actual operating speed of 1 Gb/s. For high-speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.
[7] HDMI cable sold separately.
[8] HD content required to view HD images.
[9] Internet access required.
[10] Resolutions are dependent upon monitor capability, and resolution and color depth settings.
[11] HP BIOSphere available only on business PCs with HP BIOS.
[12] HP Support Assistant requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter).
[13] Secure Erase for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88.
[14] HP SoftPaq Download Manager (SDM); HP System Software Manager (SSM); HP Microsoft Integration Kit for Microsoft Systen Center Configuaton Manager: Not preinstalled, however available for download at http://www.hp.com/go/clientmanagement.
[15] LANDESK Management subscription required.
[16] Security lock slot cable not included.
[17] Power adapters are chosen depending on your configurations.
[18] HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
[19] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
[20] NOTE: In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on http://www.support.hp.com.
[21] Not available with eMMC storage.
[22] Some devices for academic use will automatically be updated to Windows 10 Pro Education with the Windows 10 Anniversary Update. Features vary; see https://aka.ms/ProEducation for Windows 10 Pro Education feature information.
[23] Intel® Core™ i5-7Y54 Processor coming soon.
