

# 55" (54.6" viewable) Full HD Commercial Display

Ultra-Narrow Bezel and 4K Video Support

**CDX5552**

With stunning brightness, vibrant images, and multi-screen tiling, the ViewSonic® CDX5552 commercial display is your ideal tool for creating video walls that wow! With up to 10x10 daisy-chain installation, and an ultra-narrow bezel that measures only 3.5mm between combined displays, the CDX5552 delivers nearly seamless, high-impact messaging that helps you to astonish, inspire, and inform. Featuring full metal construction and a scratch-resistant tempered glass screen, this durable commercial-grade display delivers reliable messaging 24 hours a day, 7 days a week. What's more, a 3840x2160 signal can be supported across four daisy-chained displays, allowing users to experience incredible 4K video on a 2x2 video wall. A user-friendly interface, USB multimedia playback, and OPS slot compatibility lets you control multiple displays with ease. All of which lets you deliver maximum message impact with minimized management demands.

#### **Key Features:**

Ultra-narrow bezel

10x10 daisy-chain support with DisplayPort or DVI

4K video support in 2x2 daisy-chain configurations

Integrated USB multimedia player

RS232 In/Out with IR pass-through

#### **Designed for:**

Public Venues
