# Highlights

## Adjustable spot head

Direct the light where you want it most by simply adjusting, rotating or tilting the spot head of the lamp.

## Energy saving

This Philips energy saving lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

## High quality materials

This lamp is sculpted from layered patterns of high quality materials with superior finishing. This ensures a solid and long lasting product which will enhance your home for many years to come.

## Warm white light

Light can have different color temperatures, indicated in units called Kelvin (K). Lamps with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This Philips lamp offers warm white light for a cosy atmosphere.

## For any room in your interior

Fully functional and at the same time very elegant, this Philips spot light will bring a decorative touch to any room in your home.

## Perfect for accent lighting

The perfect light beam for accent lighting. This Philips spot light has the perfect light beam for accent lighting (GU10 bulb not included). With bundled light you can emphasize any detail or feature in your interior.
