Highlights

Spill free cup

Built in valve for spill free drinking

Converts into a free-flow cup

Simply remove the valve and the sippy cup becomes a free-flow cup.

Angled spout

The angled spout is designed to help toddlers take their first sips easily without tilting their head back too much.

Ergonomically designed trainer

Trainer handles help your toddler to hold the cup and drink independently. These handles are not only shaped for little hands to grab easily, they are also rubberized for a non-slip grip.

BPA Free

This Philips Avent cup is made from BPA free material.

Compatibility across the range

The new Philips Avent cup is compatible with the Philips Avent Natural and Classic+ bottle range (excluding the glass bottle), and all other Philips Avent cup (excluding the Natural Drinking Cup).

Hygiene cap

Whether at home or on-the-go, the protective hygiene cap always keeps the spout clean.

Cup is dishwasher safe

All parts are dishwasher safe for convenience
