Highlights

DualCut technology

Enjoy maximum precision with DualCut technology, which includes 2 x more blades. The steel blades lightly brush against one another, sharpening themselves as they work. This results in blades sharp as on day 1 after 5 years of use.

13 tools for face, hair and body

This all-in-one trimmer conveniently trims, styles and clips your facial hair and grooms your body.

Metal trimmer

Use the metal trimmer with DualCut technology without a comb to get clean, sharp lines around your beard, neck and hairline, or to trim your body hair to a minimum length.

Bodyshaver with skin protector

Shave comfortably below the neck with our bodyshaver. Our unique skin protector system guards even your most sensitive body areas, allowing you to comfortably shave hair as close as 0.5 mm.

Detail metal trimmer

Create fine lines, contours and details with precision, to define or change your style.

Nose and ear trimmer

Remove unwanted nose and ear hair, easily and comfortably.

8 Impact-resistant combs

2 stubble combs (1, 2 mm), 1 adjustable beard comb (3–7 mm), 3 hair combs (9, 12, 16 mm) and 2 body combs (3, 5 mm).

Up to 120-minute run time

The high-performance Lithium-Ion battery delivers up to 120 minutes of run time per every 1-hour full charge. A 5-minute quick charge delivers one full trim.

No-slip rubber grip

High-quality rubber handle for superior comfort and control while trimming.

Showerproof

This trimmer is designed to be water-resistant, so that you can use it comfortably in the shower and easily clean it under the tap.
