PHILIPS

Highlights

8 browning settings

Adjust toasting time for any bread, however you like it.

Cancel button for instant shut

The cancel button stops toasting at any time for safe and precise operation.

High-lift lever

A high-lift lever gives small items an extra boost for safe, easy removal.

Auto shut-off protection

Auto shut-off in case of bread jam protects against short circuits.

Cool-touch exterior

Insulated design means the outside walls always stay cool and safe to touch.

Long slot design

A single, long slot fits virtually any type of bread you choose.

Built-in bun warming rack

An integrated bun warmer heats pastries, rolls, croissants and more.

Defrost mode

Defrost mode effortlessly toasts frozen bread in one go at the touch of a button.
