- Rechargeable battery offers up to 6 hours of playtime
- Bluetooth wireless technology
- Compact charging case with lanyard
- USB charging cable

PHILIPS

BASS+

Features

3 cap sizes

Silicon ear caps come in 3 sizes for a better, customized fit.

6 + 6 hrs playback

With 6 hours of playtime, you'll have enough power to keep your music rolling for long sessions. Connecting to the charging case also gets you another 6 hours of playtime.

8.2 mm drivers

BASS+ headphones feature 8.2 mm speaker drivers that produce big, pumping bass.

Big, bold bass

This is big, powerful bass that lets you really feel the beat. Don't let the sleek design fool you – specially tuned drivers and bass vents produce ultra-low end frequencies to create a unique BASS+ sound signature.

Bluetooth

Easily pair your headphones with any Bluetooth device for wireless music.

Button controls

Control is just a click away. Single, double and triple presses activate different features in different modes, for easy controls whether you're playing your music or taking a call.

Charging case

The lightweight, compact charging case capsule includes a handy lanyard to attach to your bag and keep your hands free.

Hands-free calls

Convenient hands-free calling with mic and Bluetooth® 4.1

Noise isolation

Using a closed-back acoustic design, BASS+ headphones keep ambient noise out and great sound in, with enhanced passive noise isolation to pull you deeper into your music.

Secure fit

Designed for optimal fit, BASS+ True Wireless headphones feature stability fin for secure fit.

BASS+

USB charging cable

The included USB charging cable makes it easy to keep your headphones powered up when you need them.
