Highlights

Compact design

Compact and ergonomic, this hairdryer benefits from a clever modern design. This results in a dryer that is light and easy to handle yet small enough to store virtually anywhere.

Easy storage hook

The rubberised hook is located at the base of the handle and provides another storage option, particularly convenient for use in the home or when staying at a hotel.

2 years guarantee

2 years of worldwide guarantee.

1000W

This 1000W hairdryer creates the optimum level of airflow and gentle drying power, for beautiful results every day.

Narrow concentrator

The concentrator works by focusing the flow of air through the opening onto specific areas. This results in precise styling and is great for touch ups or to finish a style.

ThermoProtect temperature

The ThermoProtect temperature provides the optimal drying temperature and gives additional protection from overheating the hair. With the same powerful airflow, you will get the best results in a caring way.

2 flexible heat settings

Careful drying with 2 flexible heat settings.
