Highlights

Intuitive digital display

The intuitive digital display shows relevant information, enabling you to get the best performance out of your vacuum cleaner: - 4 cleaning settings - Dust Bag Full Indicator - Auto on-off Indicator

On board accessories

The On board accessories includes : - A crevice tool that fits in tighter spots and works well along the edge of baseboards and in hard-to-reach spots, such as vents. - An upholstery tool that has a small, flat head and powerful suction, this attachment works well on fabric surfaces.

Allergy filter

This vacuum cleaner is certified as Allergy friendly by the European Centre for Allergy Research Foundation. The exhaust air is purified up to 99,95% of allergens from; cat & dog hairs, dust mites or

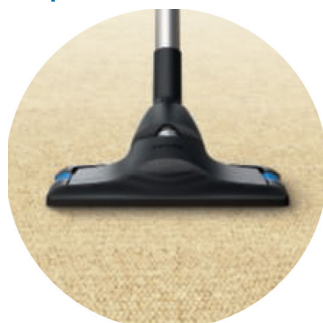

pollen to support an allergy friendly home environment.

s-bag Ultra Long Performance

s-bag® Ultra Long Performance has been developed to provide optimum cleaning performance from your vacuum cleaner. This dust bag provides your cleaner with extreme suction power during the entire lifetime of the bag.

CarpetClean

The CarpetClean is ideal for deep clean, this nozzle is suitable for the toughest carpet clean and delivers high dust pick up on soft floors.

TriActive Advance nozzle

Thanks to its unique rubber flap structure the brushless nozzle delivers a tangle-free experience for no hair winding. Thanks to its plane shape it offers a lay flat functionality that helps you reach even more areas.
