Marketing

Extended retailer text	You never know where life will take you. Whether you're having friends over or you're on the road to your next holiday destination, with the Trust Fyber Go Bluetooth wireless speaker you can always live life to the fullest. The compact, portable design comes with clear sound to enjoy music no matter what your next destination is!
------------------------	---

Stand out

You won't only stand out because of your favourite beats: the design of this speaker will be noticed. The stylish woven fabric will instantly attract attention everywhere.

Connect and play

Take out this wireless speaker and you will easily get your party started when connecting it to any smartphone or tablet via Bluetooth. No Bluetooth available? Use the integrated MP3 player to play music from a microSD card or hook your speaker up to your smartphone or tablet with the included 3.5mm aux input cable and you're good to go. The rechargeable battery provides up to 6 hours of fun!

Start celebrating

With the volume and media buttons on the sides of the Fyber Go, you can switch tracks, pause songs or turn up the volume to start celebrating with your friends. You can even pick up the phone with the call-pickup buttons. The 10m wireless Bluetooth range makes sure you can party together without interruptions. You are destined to dance!
